

# NEW MOON LODGE

## BULLETIN

### LAKE OF THE WOODS

MORSON, ONTARIO

---

This will be the second bulletin sent to the guests of New Moon Lodge. This one covering 1959's events and the plans for the coming season, which we are looking forward to with the greatest enthusiasm.

As a perfect year comes to a close — and before us lies a brand new one in which we hope to have all of you wonderful people back with us — we want to take this opportunity of thanking each and everyone of you for being with us and making our past summer the best one yet.

---

#### HEADLINES FOR '59's SEASON:

Trophies were carefully selected and awarded to four lucky anglers and one big game hunter as follows:

John Moulin of Chicago, Ill., for a 46 lb. Muskie.

Dick Olson of Minneapolis, Minn., for a 18 lb. Northern.

Frank Perz of Chicago, Ill., for a 5 lb. Walleye.

Seymour Freedman of Glencoe, Ill., for a 4 1/2 lb. Bass.

Dr. Matt Fadell of Gary, Ind., for a 10 point Buck.

Each of these being the largest of it's kind brought into camp for the '59 season. Congratulations fellows, it was a pleasure to send these to you, and we hope your 1960 fishing and hunting adventures will be as exciting.

1959 was a very prosperous year for us, tripling '58's business. Also for progress at camp — a new cabin, shower and laundry, two more boats, a new 18 Johnson motor and a 7 1/2 Evinrude.

Ninety-nine percent of '58's guests returned and some of these people came up three and four times last summer. John Moulin visited us four times, and the Moores three times, and Dick Olson three times, also Frank Perz. Each time these people came they brought a new guest to New Moon Lodge, and this we are very gratefull for, and we hope we will have the pleasure of having you all back with us again this summer.

John Root of Chicago and his brother-in-law (guide) Dr. Seidl came to camp June 2nd with an adventurous little 5 horse motor, and before they left 10 days later, they had explored many fishing spots and miles of beautiful scenery. How about that Doc, are you going to guide John again this summer?

Most of the duck hunters were successful, and one party that Lloyd took out decided to rent a canoe from a cute little squaw. That part was fine, but I guess they didn't know there was overload regulations on the lake. The consequences were funny, so Clark Engelmeir thought, as when the canoe tipped over and he hit bottom he started shooting. The boys were quite a piece from home, so they had to start a fire and dry their clothes. Have you complained to the Remington people yet about the gun not ejecting shells under water?

The deer hunters had a 100% kill this fall. Julius Eckert of Gary, Ind., and party of seven were the last guests at camp for '59, and we moved home to Morson the first of November.

#### PROSPECTS FOR 1960:

All reports for this year are good, and they say it will be a boom year, so with so much heavy business and the long hours you all will no doubt be putting in, you are going to need a vacation to some remote island where there is peace and quite, and that is where we come in, as that is what we have to offer,

plus many more possibilities such as fishing, boating, swimming, etc.

New Moon Lodge will be sporting a new cruiser this summer; and as an extra for those of you who would enjoy it, the Moens are asking you to be their guest for a moonlight ride some evening during your stay.

With a new cruiser to transport our guests in comfort, it means more dock space, so we will build onto the dock in the spring. We will be doing some more work on the grounds, and as for building prospects, that has not yet been decided.

We are giving trophies again in 1960, and they will be on display in the dining room all summer where you all may see them and work to win one of the five to be given at the close of the season.

Now for those of you who haven't made your 1960 reservation, or wish to make another one for a later date, we would be very happy if you would do so now, as we can offer better accommodations through early reservations.

As a retired camp operator, Ole Moen, used as a slogan, and I quote, "You need the vacation and I need the money."

New Moon Lodge will always be your home away from home, so don't forget to come home this summer and enjoy some real fine fishing and a very relaxing rest. We are looking forward to having all of you back with us and hope you will bring a friend along to enjoy the things that bring you back to camp. There is always plenty of hot coffee and food for all of you whenever you wish it. Meals are served at regular hours, but between times we keep the coffee pot hot, and by all means we want you to feel free to come in and visit with us at any time. Many evenings are spent in the lodge over a card game or just chatting. We always enjoy your company.

Our very best to you all and we hope to see all of you this season, and as a closing reminder, get your reservations in now so we will be able to accommodate you.

Our little son, Dwight, joins us in saying, "we are all looking forward to your coming home this season."

Your friends on beautiful

Lake of the Woods

The Moens
