BULLETIN 1982-1983

Dear Friends:

Hello from Lake of the Woods and New Moon Lodge. Our sincerest wishes go out to all of you nice people for a Very Healthy and Prosperous 1983. Yes, we celebrated our twenty-fifth year of business in 1982, and it was fun to share that with so many of you nice folks. We believe that everyone who received a coffee mug with the New Moon Lodge logo on it, did like it and took it home, and just maybe as you take time to read this bulletin you will be enjoying a cup of coffee from your mug. These were small mementos of our appreciation of your friendship and continued business over the past years, and we also look forward to many more years of your visits to New Moon Lodge. Thanks for being our friends. We enjoy having you visit us.

EVENTS FROM 1982:

It was a good year in that we enjoyed very good business. We rebuilt the Drake cabin, which now has two bedrooms, and rebuilt some of the docks. The new boat that Lloyd, Rocky and Dwight built was a real success. Larry used it all summer and those of you that fished from it did seem to like it. After we moved in from the island this past fall we had such nice weather that Rocky and Lloyd hauled a lot more fill around the place, so it's looking better too.

SPORTSMAN AWARD:

Mr. John Madden of Chicago, Ill., won the Free Vacation For Two, when he landed a 5# 8 oz. Walleye on July 20th, with guide Larry Brusven. Congratulations, John, it is our pleasure to award this free gift to you. Thank you for your letter, we look forward to hearing from you again so we can set a date for you and Mary to be with us.

NEWS FOR 1983:

This season the Sportsman Award will go to the one catching the largest Bass, so let's get going all you Bass fishermen, we would like to see a "Big One" this year.

Our plans for this year are three new boats, a new motor in our big cruiser and my kitchen is still waiting — so you see Lloyd and the boys have a lot of work to do before the busy season starts.

OUR FAMILY:

It has been a very good year for our family. With Dwight and Rocky having a new interest in the business it has gone

very well, and they assume more and more of the responsibilities which has made it nice for Lloyd and I.

On December 29th, Dwight and Dee got word that they were to get a Baby Boy, two and a half months old. They brought him home on January 6. Lloyd and I are very proud grandparents. To say that Dwight and Dee are proud and excited parents, is putting it mildly. Yes, he is a cute and precious baby, and his name is Travis Justin Moen. We all feel that the Good Lord has blessed this family. We can hardly wait to show him off.

Rocky did enjoy his first full summer at the resort, and is keeping busy this winter in the shop and flying when the weather is right.

Donna and Desi completed their first season as resort operators and really have done very well. They are looking forward to a busier season in '83. Desi still holds his job with CNCP Telecommunications, so is away quite a bit, and they look forward to the day when their business will be full time employment for both of them.

TIME TO CLOSE:

The end of another good year, and we are truly grateful for the many wonderful blessings we have received. Having nice people like you as our guests is what makes it special in many ways. We want to say thanks to those who have already confirmed their reservations for 1983, and to those who are still thinking about making a reservation, we look forward to hearing from you soon. The Walleye season opens May 21st, but if you wish to fish Northern or Bass, the season will be open all year. You deserve a vacation, and we always enjoy having you with us at New Moon Lodge. Come and see us in '83. Our Family and Staff join us in welcoming you back this season.

Lloyd, Patsy, Dwight, Dee
& Rocky.
